## **Parish News**

In the days ahead, students, teachers, and parents will be getting ready for the beginning of another school year. Here at St. Joe's, our Pre-K staff have been hard at work preparing for our first day of school on August 17<sup>th</sup> and are looking forward to welcoming both our new and returning students.

This year we're starting off with 55 kids in our program! The incredible success and growth of our Pre-K these last few years are a testament to the dedication and talents of our staff and volunteers, especially April Kreidenweis and Lisa Roetting, our director and assistant director. I'm proud of the work they do and grateful for their service to our parish and to the families who entrust their children to our school.

Please pray for another safe and successful school year for all of our students and staff!

Fr. Stenger
