Parish News

Our Pre-K students will be back to school this week, beginning on Wednesday, August 16. I know that our Pre-K staff have been hard at work getting ready for the new school year and are looking forward to welcoming both our new and returning students. This year we have 53 kids in our program! The incredible success and growth of our Pre-K these last few years are a testament to the dedication and talents of our staff and volunteers, especially April Kreidenweis and Lisa Roetting, our director and assistant director, as well as Vanessa Waymeyer and Brittany Noguerras, our teachers. I'm proud of the work they do and grateful for their service to our parish and to the families who entrust their children to our school. Please pray for another safe and successful school year for all of our students and staff!
