Parish News

As we continue to rejoice in the Lord's Nativity during these days of Christmas, the Church celebrates today the solemnity of Mary, the Mother of God. This feast is a logical conclusion from the feast we celebrated one week ago. Since Mary gave birth to Jesus Christ, who is both God and man, she is truly called the Mother of God. And because we share in God's own life through His gift of grace, she is truly our mother too. As we begin another new year, we do well to entrust ourselves once more to her maternal care and protection.

I hope that you all have a very happy and blessed new year! I'm sure 2023 will have its share of joys and sorrows, as does every year, but God will accompany us through it all and continue to offer us His grace in abundance.

Fr. Stenger
