Parish News

We celebrate today the Epiphany of the Lord, one of the most ancient feast days in the life of the Church. Today's feast commemorates the visit of the Magi to worship the newborn Christ Child. These wise men "from the east" were Gentiles, not Israelites. Their recognition of the star that heralded the Lord's birth was a sign that God had revealed Himself now to all the world, not only to the members of His Chosen People. As St. John wrote, "No one has ever seen God. The only Son, God, who is at the Father's side, has revealed him" (Jn 1: 18). No longer is He a distant God perceived only from afar; He has made Himself known to us and He makes His dwelling in our midst. Let's pray that we might never lose sight of this self-revelation that God has made to us, so that His light will radiate through every aspect of our lives.
