Parish News

Today we begin a new year in the Church and the season of **Advent**. Advent is especially a time for us to prepare ourselves to receive Christ, who came into our world millennia ago on Christmas, who comes to us now in the Eucharist, and who will come again in glory at the end of time. The point of these four weeks is to stir us to watchfulness, to help us to be ready to receive the Lord when He comes to us. We remember that when He first came into the world so many centuries ago, the great majority of mankind was not prepared to receive Him. "There was no place for them in the inn" (Lk 2:7). "He came to His own home, and His own people received Him not" (Jn 1:11). The world slumbered in comfort and self-satisfaction as its King and Creator was born in silence and obscurity and laid in a manger. During this Advent, let us instead strive to be like the shepherds and wise men who were watchful and prepared for His coming, so that we may receive Him into our lives now and one day be received into the fullness of His life in Heaven.
