Parish News

Thank you to all who have made a pledge to this year's Diocesan Parish Annual Appeal! As you can read further in the bulletin this week, we have already raised \$64,620 as of the end of June—well beyond our goal of \$51,800. This is about \$4,000 more than our total amount raised during last year's campaign and we still have several months ahead of us! Your response to this appeal year after year is both impressive and inspiring. Thank you for so generously and faithfully responding to the call to support our parish and our diocese.

Since we've met our goal, 100% of the funds that we raise above that goal will be returned to our parish without any diocesan assessment. We can continue to donate to the appeal until the end of the year, so if you haven't given yet, or if you find yourself in a position to give more, please consider doing so. Giving to the annual appeal is one of the best ways that we can support our parish financially. You can use one of the envelopes in the back of church or visit the parish website and follow the instructions on the homepage to make a gift.

Thank you once again for your generous response to this year's campaign. Your dedication to our parish is a testament to your faith and I'm very grateful for that witness.

Fr. Stenger
